German Courses for Executives

[Book](#)

The highly intensive German courses for executives are geared to students who wish to learn German **for professional reasons**. As these individuals usually cannot be away from their job for an extended time, the one-to-one intensive courses with 30 or 40 lessons of 45 minutes per week are **customized to the specific needs** of each course participant. Topics can include, for example, business correspondence in German, sales talks with potential customers, speeches and presentations and many more.
