\* Leisure activities vary each week, i.e. there is no standardized leisure program. Activities depend on the interests of our students as well as the weather conditions. Usually, our students can choose from a parallel range of sports, creative and social activities during daily activities.

\*\* During the city walk, our students can go into the city in small groups, unaccompanied by a team of supervisors, with signing out and signing in. A city walk can be scheduled once or twice a week.
